

Commercial and industrial solutions by experts, for experts

rovacabin commercial

Accommodating your needs

Whatever level of accommodation we're providing, from standard to bespoke, SGB Rovacabin is dedicated to working with its customers throughout every stage of their build.

Your needs are of the utmost importance to us, which is why our experienced customer and site support teams will work tirelessly to ensure every aspect of the project runs smoothly.

We're proud of the level of detail we provide for our customers – our solutions include everything from furnishing and decoration to utility services.

We'll even take care of the building regulations, planning permission, groundworks, landscaping and disabled access.

And you can rest assured that all the relevant and stringent safety standards will be taken care of.

Accommodation solutions for commerce and industry

With global markets and economies expanding all the time, the need for businesses to stay on top of both short and long term opportunities has never been greater.

Whatever the nature of your operation may be, SGB Rovacabin's range of bespoke accommodation solutions are ready when you are. Everything from extra storage, office accommodation or staff facilities can be provided.

With permanent or temporary units and flexible rent, buy or lease options, our adaptable approach to business ensures you'll never lose your competitive edge.

Versatile solutions

Fire and disaster safety

In the unfortunate event that your existing facilities suffer from either fire or disaster damage, SGB Rovacabin has the ability to react quickly and efficiently to devise and install the relevant emergency accommodation.

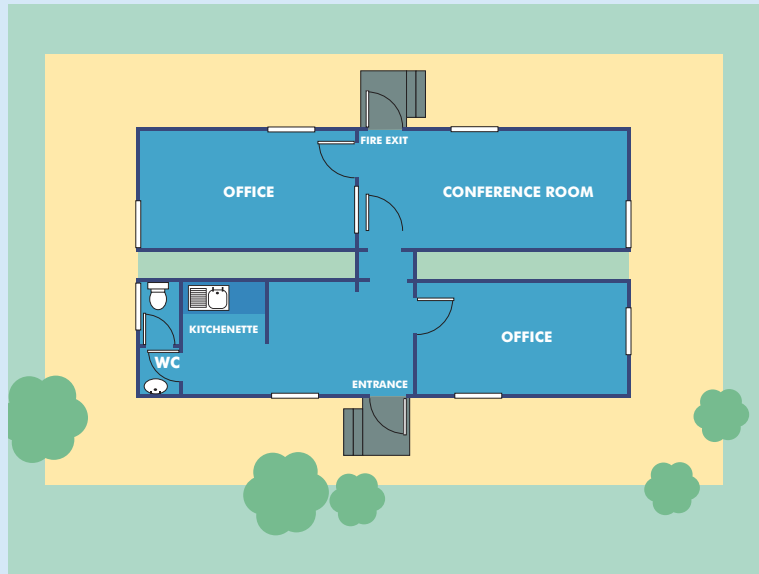

Through a close working relationship, we'll make sure everything is delivered to the highest specification to provide the facilities required by customers and staff.

SGB Rovacabin solutions include:

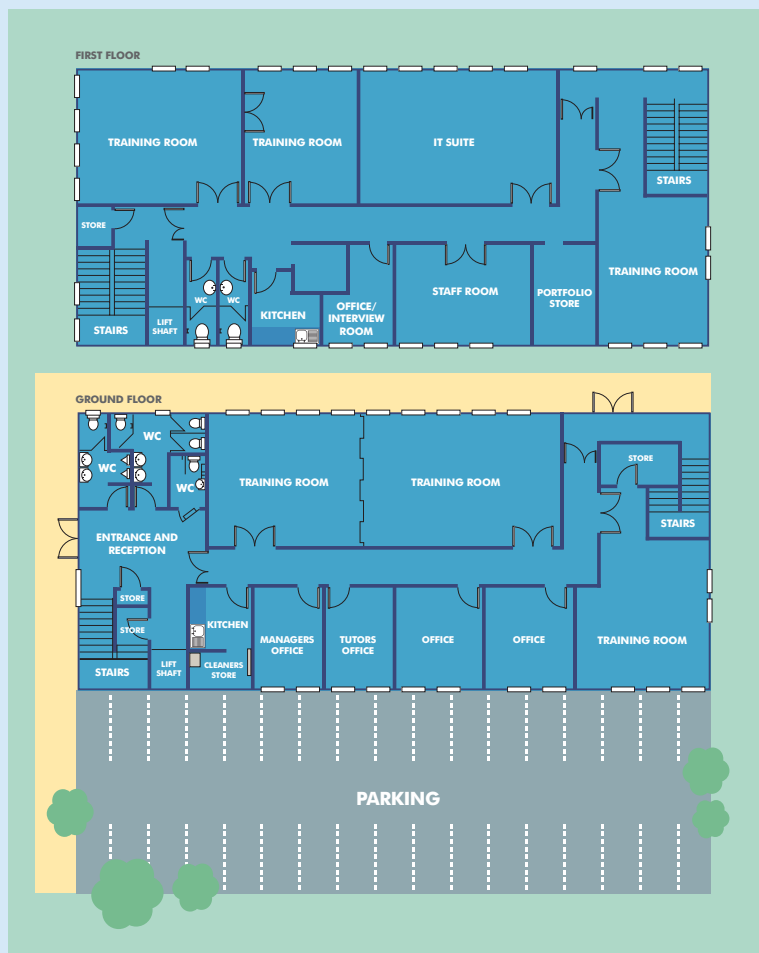

- A wide range of cabins, with anti-vandal or modular units available
- Full design service
- A wide range of sizes and internal configurations
- A variety of finishes, including brick and timber cladding
- Units supplied complete with all services
- Single or linked units with multi-storey capability
- Flexible finance options
- Instant availability in emergencies
- Solutions that satisfy all building and health and safety regulations
- Vandal proof and fire resistant units

Linked office complex – two cabins each 12m x 3m

Two storey office block/training centre – 27m x 12m

Planned around your individual requirements

The size, shape and specification of your units can be designed and built to your individual needs. Prepared off-site and ready for use immediately, you can request anything from an open plan anti-vandal unit to a fully operational canteen with a commercial kitchen.

For your individual requirements

Office space

Single or linked office units or large modular buildings including welfare facilities.

Training rooms

Bespoke training rooms supplied as an extension to existing facilities or as a stand alone complex. Welfare and canteen facilities can also be included.

Secure storage

Anti-vandal and secure storage for either archive files or small plant and equipment.

Gate houses and transport offices

Stand alone cabins for gate houses or transport offices which can be equipped to provide secure and comfortable accommodation.

Welfare

Showers, toilets, canteens, restaurants, rest rooms and staff rooms supplied fully equipped and furnished as an extension to your existing facilities or as a new building.
