

Education solutions by experts, for experts

rovacabin education

SGB

Accommodating your needs

Whatever level of accommodation we're providing – from a standard single or double classroom unit to bespoke, multi-room buildings, SGB Rovacabin is dedicated to working with its customers throughout every stage of their build.

Your needs are of the utmost importance to us, which is why our experienced customer and site support teams will work tirelessly to ensure every aspect of the project runs smoothly.

We're proud of the level of detail we provide for our customers – our solutions include everything from furnishing and decoration to utility services.

We'll even take care of the building regulations, planning permission, groundworks, landscaping and disabled access.

And you can rest assured that all the relevant and stringent safety standards will be taken care of.

Accommodation solutions for education

SGB Rovacabin understands that the education sector is a busy and thriving environment that often requires extra accommodation at very short notice.

From complete student facilities on university campuses to additional space for schools and colleges, we're ready to meet a diverse range of needs.

We can also ensure that installation is planned outside of term-time, avoiding any disruption

to students and staff. In addition to providing extensions to your existing facilities, we can meet the requirements of specialist units, including sports, music, laboratory, day nurseries, welfare, restaurant or canteen facilities.

Versatile solutions

Fire and disaster safety

In the unfortunate event that your existing facilities suffer from either fire or disaster damage, SGB Rovacabin has the ability to react quickly and efficiently to install the relevant emergency accommodation. Through a close working relationship, we'll make sure everything is delivered to the highest specification to provide the facilities required by students and staff.

Residential facilities

Rising local rents and the uncertainty about student numbers at the start of the new academic year can create many problems for student residential accommodation. Whether you require short or long-term accommodation, SGB Rovacabin can supply blocks of individual study bedrooms to meet your specific needs.

- Multi-storey accommodation
- With or without toilet accommodation
- Common rooms and social areas
- Short/long-term hire or permanent buildings

Larger buildings

Here at SGB Rovacabin the possibilities are endless. So if you require more than just simple or short-term accommodation then we can still help. A large, complex, multi-storey building can be constructed in only a few weeks, with the added benefit of being able to be adjusted, extended or completely relocated.

Restaurants and canteens

Purpose built canteen units can be provided equipped with everything you'd expect including a fully functional commercial kitchen.

- Single or linked units
- Complete with all furniture
- Full kitchen equipment option
- Fully compliant with health and safety requirements

Music rooms

For practice, tuition or performance, a separate Rovacabin music room solves the problem of noise disruption.

Classrooms

Our range of classroom units are available in various sizes and specifications, and can be ready for use within a few days. There's also a choice of cladding options available for permanent buildings, including brick or timber.

- Single and double classroom units
- With or without toilets
- Science laboratory layouts available
- Comply with all statutory requirements

After School Clubs

Self-contained buildings for after-school study or activities which provide dedicated facilities, allowing easy supervision separate from the main school buildings.

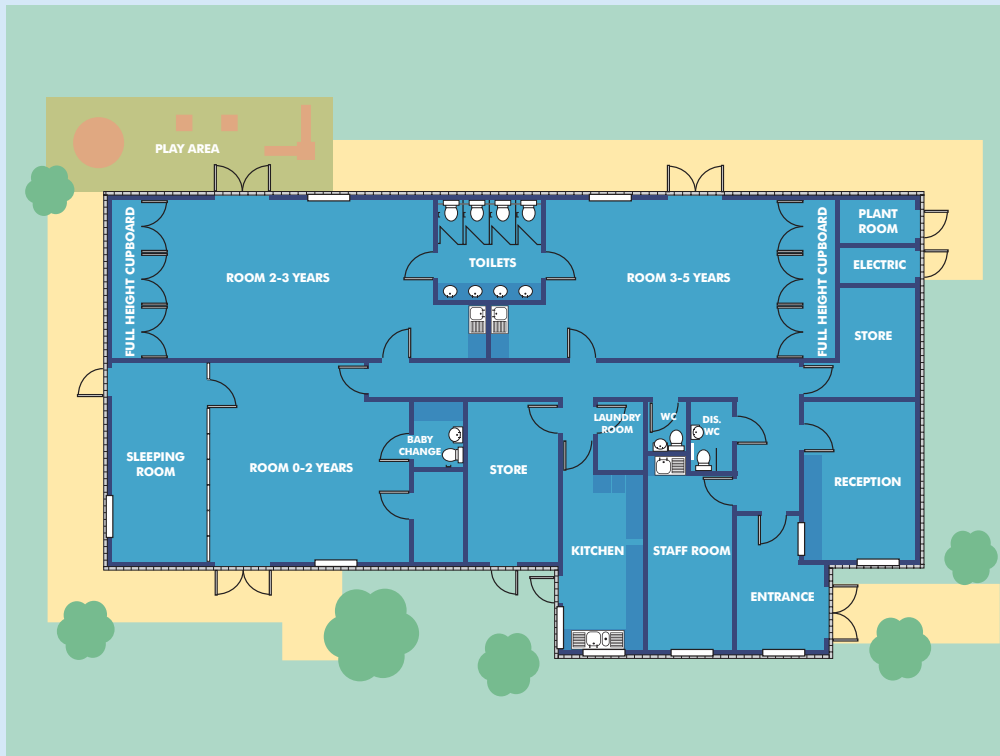

Day nurseries

A range of specialist day nurseries units are available, including wet zones and quiet areas.

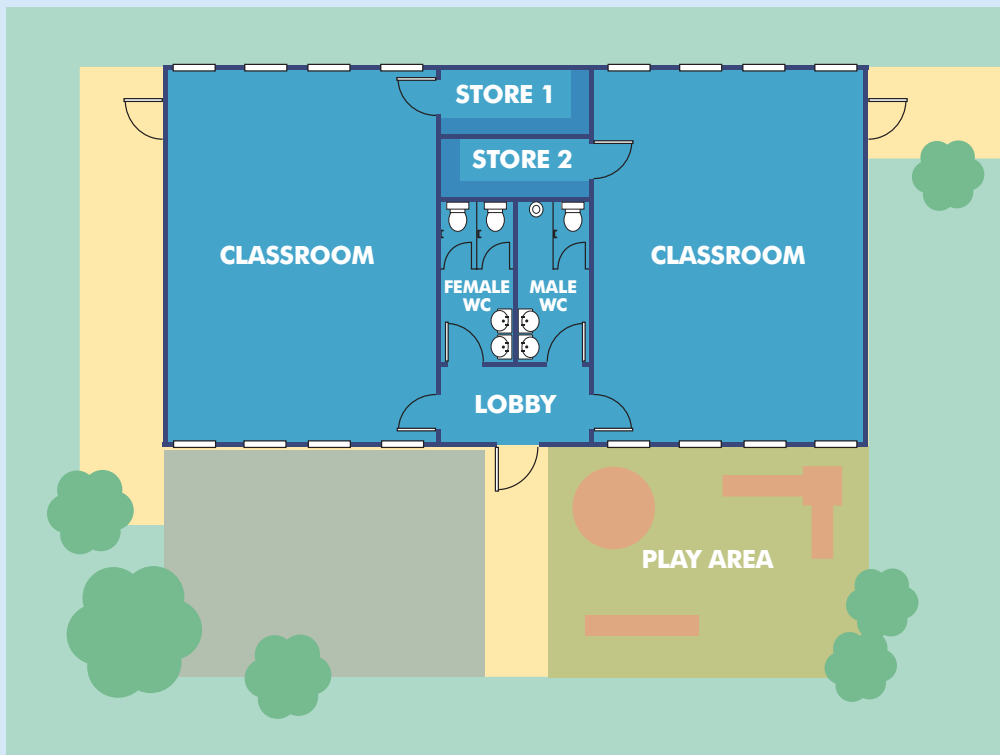

- Complete, self-contained units
- Including toilets, kitchens and washrooms

Nursery facility – 360sq.m

Double classroom with toilets – 16.8m x 9.6m sq. Each classroom is 63m sq.

Planned around your individual requirements

The size, shape and specification of your units can be designed and built to your individual needs. Prepared off-site and ready for use immediately, you can request anything from an open plan anti-vandal unit to a fully operational canteen with bathroom facilities.

For your individual requirements

Day nurseries

Day nursery facilities can be installed as stand alone units or as part of larger complexes for schools, colleges or universities. Changing and sleeping facilities, small toilets and access to outdoor play areas can all be incorporated.

Storage

Individual or more complex modular storage units can be installed for short and long term storage solutions, so valuable office space does not have to be sacrificed.

Welfare

A range of welfare units are available including toilets, showers, changing rooms, canteens and restaurants.

Halls and studios

Assembly halls, sports halls, dance studios, gyms, music rooms, study centres, conference halls or any other study or recreation requirement can be installed as stand alone units or as an extension to existing facilities.

Classrooms

Standard and specialist modular classrooms are available in a range of sizes and specifications, and can be installed and ready for use in just a few days.

Specialist facilities

Specialist facilities can also be catered for including fully fitted ready to use laboratories, facilities for small projects or specialist activities.
